2. The question of breakfast lunch to members attending Dt Board meetings has been dealt with in LB 116-25 (linked file). The matter was discussed in Council and a DO was issued to the Dt Bd stating that the practice does not exist elsewhere & it is usual to meet such charges from private funds, it is undesirable to spend Dt funds for the purpose. In accordance with this instruction the provision of Rs 200 made for this purpose during 1926-) was disallowed but the Dt Bd again press for the meeting of such charges from Dt funds. for reasons stated in D.O.D. In connection with the Dt temperance held in myore last year, a similar question was raised as to whether lunch charges incurred at conferences could be met out of Dt funds. The subject was considered in Council & information has been called for from the Presidents of the Dt Boards about the no of conferences &

Sir,

With reference to G.O.No.L.2814-21/L.B. 125-25-47, dated 1st November 1926 sanctioning the District Fund Budget for 1926-27, I have the honor to state that in respect of Lunch charges of Rs 200 provided for in the Budget Estimates, it was observed that the said item was disallowed. When the Government order sanctioning the Budget with certain modifications was placed before the District Board, at their meeting of 13th and 14th November 1926, Mr. S. Venkatesaiaya moved a proposition that it was not desirable to omit the same item which after all was a very small one of Rs 200 per annum, and the same was unanimously passed by the house, member after member expressing his dissatisfaction at the disallowance of this item of expenditure. It may be mentioned that this item of expenditure began to be provided for in this Board, after one year's expenditure had been incurred by the then Vice President of the District Board, out of his own private funds, though he was not even drawing any conveyance allowance or even travelling allowance. The meetings then used to be held for 2 or three days at a stretch and the expenses were then borne by one, honorary office bearer. Later on the Board, following the example of the Legislative Council, Representative assembly and the Economic Conference, provided a small

7. G.O.No.L.2814-21/L.B. 125-25-47, dated 1st Novr. 26 reviewing the budget estimates of the Hassan District Board for 1926-27.

(a) Mr. S. Venkatesaiaya moved the following proposition:-

"The Board deeply regrets that the Government should have disallowed the very small provision for lunch arrangements, mostly to meet the necessary conveniences of the subjects of His Highness the Maharaja, disinterestedly labouring in the cause of Local Self Government while, at the expense of the public tax-payer, provision still continues to be made in the Legislative Council for both official and non-official gentlemen, and the Board is further of opinion that the provision of such bare necessities or comfort and social amenities and in no sense a profit of emolument is part of its duties as a Self Government body, and is in consonance with tendencies in progressive bodies of like constitution; and therefore requests that the provision may be restored and sanction accorded."

Seconded by Mr. N. Nagappaiah and carried unanimously

Sd. N.S.Nanjundiah,
President, District Board, Hassan.
